MISSION

Zonta International is a leading global organization of individuals working together to build a better world for women and girls.

VISION

Zonta International envisions a world in which women's rights are recognized as human rights and every woman is able to achieve her full potential. In such a world, women have access to all resources and are represented in decision-making positions on an equal basis with men. In such a world, no woman lives in fear of violence.

LEADERSHIP AND SUSTAINABILITY	ENGAGEMENT OF AUDIENCES AND ALLIES

Help make Zonta's voice credible and visible from Nova Scotia to Rhode Island to the Berkshires by finding a service project we can work on as a District.

Identify tools, resources, and mentoring opportunities that will help each club achieve success as defined by members.

Create a leadership path for succession at the club and district levels.

Engage audiences and allies to grow support and funding that can be used to bolster membership projects and internal scholarship grants.
