

# ZONTA FOUNDATION FOR WOMEN

## 2026 - 2028 Fundraising Goals

With the support of our Zonta clubs, club members, supporting members and friends, we are committed to raising **US\$5,200,000** to support our international service projects and education programs in the 2026-2028 Biennium.

Your donations are used to build a better world for women and girls. Donations can be given to specific funds:

### International Service Fund

Zonta shows its passion for international service by partnering with agencies of the United Nations and other recognized non-governmental organizations. Donations to the International Service Fund are used to support life-changing opportunities around the globe. Gifts to this fund cannot be designated for a specific project.

### Amelia Earhart Fellowship Fund

Donations to this fund support the Amelia Earhart Fellowships awarded each year to talented women, pursuing advanced studies in aerospace engineering and space sciences.

### Zonta Young Women in Leadership Award Fund

Donations to this fund support the Zonta Young Women in Leadership Awards given to young women aged 16 to 19, who demonstrate a commitment to leadership in public policy, government and volunteer organizations.

### Rose Fund

Donations to the Rose Fund are unrestricted and will be used to cover any fundraising shortfalls in the other funds.

### General Endowment & Amelia Earhart Fellowship Endowment Funds

During the 2026-2028 Biennium, interest and earnings from the general Endowment Fund will be used to cover the Zonta Women in Business Leadership Awards of \$100,000, the Zonta Women in STEM Awards of \$160,000 and the Community Give Back Grants of \$180,000. The interest and earnings from the Amelia Earhart Fellowship Endowment Fund will be used to cover \$96,000 of the Amelia Earhart Fellowships.

The Foundation remains committed to growing our general Endowment and Amelia Earhart Endowment Funds.

During the 2026-2028 Biennium, we will continue to seek out conversations with individuals who wish to make a long-term gift to the Zonta Foundation for Women with the goal of raising at least US\$500,000 in the 2026-2028 Biennium.

**There are multiple options for making a long-term gift to the Foundation, including:**

- Individual Retirement Account Distributions.
- Donor Advised Funds.
- Gifts of stock.
- Will and estate planning, which grants membership to the Zonta 1919 Legacy Circle.
