### **If I am on the fence about attending, what else should I consider?**

You will learn more about Zonta's mission and programs: the passion of speakers, Zonta International Director Vivienne Shen, former Zonta International President Mary Ellen Bittner, and other attendees will inspire and motivate you to take action on issues of gender equality. You will learn and grow as an individual and as a Zontian. In-person events deepen connections within our diverse but like-minded community and help you to see beyond your club. The informal chats that occur between sessions often lead to ideas that can be used to infuse the Zonta Spirit in your club. We will celebrate first-timers who attend by keeping the cost to \$99, making it even more affordable. Fall Conference is fun! Social events, networking, celebrating the power of women, sharing stories, visiting a great city on the sea and enjoying all it has to offer. You deserve some fun.

### **As Delegates are voting online before the actual conference, are they required to attend?**

No. While we of course want ALL members to attend if at all possible, delegates will not be voting at Conference and are not required to attend.

**What questions do YOU have? Submit to [info@zontadistrict1.org](mailto:info@zontadistrict1.org).**

We will answer them and add to the Conference website, if appropriate.
